The Feature Ride

With our convention falling right in April, it's the perfect time to explore Ballarat's most iconic attraction: *Sovereign Hill*! Located just 3km from the Ballarat town centre, this award-winning outdoor museum recreates the town as it was during the

1850s gold rush, complete with over 60 historic buildings, costumed performers and horse-drawn coaches trundling down Main Street.

As luck would have it, our dates line up beautifully with the end of Sovereign Hill's Autumn School Holiday program! During this time, the costumed performers and hands-on experiences take centre stage – watch magic unfold on stage, meet legends of the goldfields, discover the trades that built the town, and strike a pose with a trooper. You can also try your hand at real gold panning in the creek (you never know your luck!), head underground on a guided mine tour, and watch demonstrations

of lolly-making, candle-dipping and wheelwrighting. As the sun sets, don't miss the spectacular sound-and-light show telling the story of the 1854 Eureka Uprising.

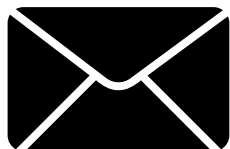

It's a full day of fun for the whole family, and an easy way to fill in the mornings or a day off before or after the convention!! Victorian schools go back on the 12th of April, so plan ahead to attend (or miss) the extra excitement!
